

DAVINOL®

SPECIALISTS IN QUALITY LUBRICANTS

EXCELLENCE IN ENGINE PROTECTION

WHY CHOOSE

DAVINOL[®]

Unparalleled Quality:

Our Lubricants are crafted using the finest base oils and advanced additives, providing superior protection against wear, friction, and thermal breakdown. Trust in our products to keep your engine running smoothly and efficiently.

Engine Performance:

With DAVINOL Lubricants, experience enhanced engine performance and power. Our formulations optimize engine cleanliness, reduce deposits, and improve fuel economy, ensuring peak performance on every drive.

Extended Engine Life:

Our Lubricants are engineered to safeguard your engine against harmful contaminants and minimize wear. By reducing friction and maintaining proper lubrication, DAVINOL Lubricants motor oils contribute to the longevity of your engine.

Versatility:

Whether you own a car, SUV, motorcycle, or operate heavy-duty machinery, we have a diverse range of motor oil products to cater to your specific needs. Trust DAVINOL Lubricants to provide the right oil for every application.

GASOLINE ENGINE OIL

DAVINOL GASOLINE ENGINE OIL

SAE: 0W-20 API: SP

DAVINOL Innovative oil formulated from premium quality base stocks combined with modern performance additives to give your engine the protection and the performance you expect under a wide variety of operating conditions. It is recommended for all high performance gasoline engine cars equipped with direct-injection, multi valve & turbo charger technologies

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DAVINOL GASOLINE ENGINE OIL

SAE: 5W-20 API: SP

DAVINOL Innovative oil formulated from premium quality base stocks combined with modern performance additives to give your engine the protection and the performance you expect under a wide variety of operating conditions. It is recommended for all high performance gasoline engine cars equipped with direct-injection, multi valve & turbo charger technologies

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

GASOLINE ENGINE OIL

DAVINOL GASOLINE ENGINE OIL

SAE: 5W-30 API: SP

DAVINOL 5W-30 is a fully synthetic engine oil formulated from premium quality base stocks combined with high performance additives to give your engine the protection and the performance you expect under a wide variety of operating conditions. It is recommended for all high performance gasoline engine cars equipped with multi valve & turbo charger technologies

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DAVINOL GASOLINE ENGINE OIL

SAE: 5W-40 API: SP

DAVINOL 5W-40 is a fully synthetic engine oil formulated from premium quality base stocks combined with high performance additives to give your engine the protection and the performance you expect under a wide variety of operating conditions. It is recommended for all high performance gasoline engine cars equipped with multi valve & turbo charger technologies

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

GASOLINE ENGINE OIL

DAVINOL GASOLINE ENGINE OIL

SAE: 10W-40 API: SP

DAVINOL 10W-40 SP is a high-quality fully-synthetic engine oil formulated with advanced additive technology. It provides excellent protection against wear, sludge, and high-temperature deposits. Specially designed to meet the latest API SP standards for modern gasoline engines. Ensures smooth engine performance under both city and highway driving conditions. Recommended for high-performance vehicles, including those with turbocharged and multi-valve engines

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DAVINOL GASOLINE ENGINE OIL

SAE: 20W-50 API: SL

DAVINOL 20W-50 SL is a high-quality engine oil formulated for reliable protection and performance. Blended with proven additives to reduce wear, control sludge, and resist oxidation. Meets API SL standards, making it suitable for older generation gasoline engines. Provides excellent lubrication in high-temperature and heavy-duty driving conditions. Recommended for naturally aspirated and high-mileage engines requiring thicker viscosity oil.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

GASOLINE ENGINE OIL

DAVINOL GASOLINE ENGINE OIL

SAE: 20W-60 API: SJ

DAVINOL 20W-60 SJ is a heavy-duty multigrade engine oil designed for both gasoline engines. Formulated with high-quality mineral base oils and advanced additives for extended engine life. Meets API SJ specifications, ensuring reliable performance in mixed fleet applications. Offers excellent protection against wear, oxidation, soot buildup, and thermal breakdown. Ideal for high-temperature operations and older engines requiring a thicker viscosity grade.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DIESEL ENGINE OIL

DAVINOL DIESEL ENGINE OIL

SAE: 15W-40 API: CK-4

DAVINOL 15W-40 CK-4 is a heavy-duty diesel engine oil formulated for high-performance commercial engines. Engineered with advanced additives to provide excellent protection against wear, deposits, and oxidation. Meets API CK-4 specifications, making it suitable for modern EGR-equipped and turbocharged diesel engines. Ensures longer drain intervals and maintains engine cleanliness under severe conditions. Recommended for trucks, buses, construction equipment, and other heavy-duty diesel applications.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DAVINOL DIESEL ENGINE OIL

SAE: 15W-40 API: CI-4

DAVINOL 15W-40 CI-4 is a high-quality diesel engine oil designed for a wide range of heavy-duty applications. Formulated with refined base oils and performance additives to protect against wear, deposits, and corrosion. Meets API CH-4 specifications, suitable for turbocharged and naturally aspirated diesel engines. Delivers reliable performance in high-temperature and high-load operating conditions. Ideal for trucks, buses, agricultural machinery, and off-road diesel equipment.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DIESEL ENGINE OIL

DAVINOL DIESEL ENGINE OIL

SAE: 20W-50 API: CK-4

DAVINOL 20W-50 CK-4 is a high-quality diesel engine oil designed for heavy-duty diesel engines. Formulated with refined base oils and robust additives to ensure excellent wear protection and engine cleanliness. Meets API CI-4 specifications, suitable for engines with or without EGR systems. Provides reliable performance under high temperatures and extended drain intervals. Ideal for commercial trucks, buses, agricultural, and construction machinery operating in tough condition

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

ATF AUTOMATIC TRANSMISSION FLUID

DAVINOL TRANSMISSION FLUID ATF DEXRON IV

DAVINOL ATF Dexron IV is a high-performance automatic transmission fluid formulated for modern vehicles. It ensures smooth, reliable shifting and excellent friction stability under all driving conditions. Enhanced with advanced additives, it provides superior wear protection and anti-foaming properties. Outstanding thermal and oxidative stability extends fluid life and transmission performance. Compatible with a wide range of automatic transmissions requiring Dexron IV specifications. Ideal for both passenger and commercial vehicles seeking long-lasting, dependable operation

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

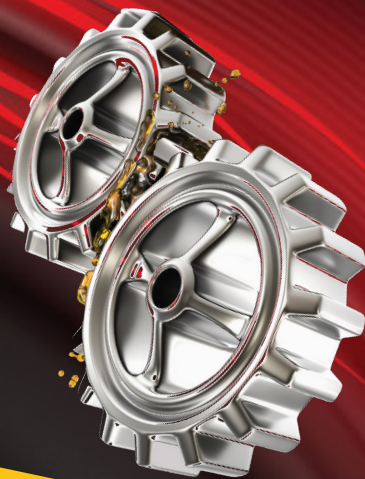

DAVINOL TRANSMISSION FLUID ATF DEXRON III

DAVINOL DEXRON III is a fully synthetic automatic transmission fluid formulated with premium, severely hydro processed base stocks and additives that helps provide oxidation and thermal stability, friction control, load carrying ability, corrosion and wear protection. It helps protect against the formation of deposits, sludge, varnish, foam and provide outstanding durability.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

HEAVY DUTY GEAR OIL

DAVINOL GEAR OIL

SAE: 75W-90 API: GL-5

DAVINOL 75W-90 GEAR OIL is an extra high performance synthetic automotive gear lubricant specially developed for use in modern high-performance passenger cars, sports utility vehicles, vans and light-duty trucks with limited slip differentials. It is manufactured from premium quality base oils and advanced performance additives to provide exceptional protection against thermal degradation.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DAVINOL GEAR OIL

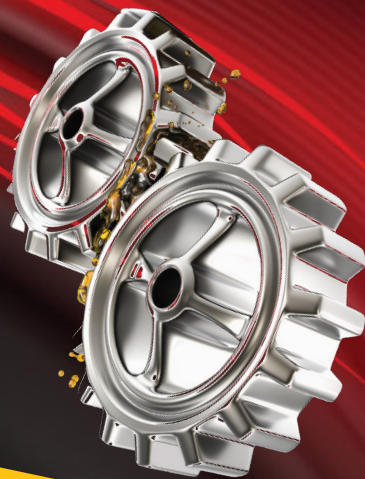

SAE: 80W-90 API: GL-5

DAVINOL 80W-90 GEAR OIL is an extra high performance automotive gear lubricant specially developed for use in modern high-performance passenger cars, sports utility vehicles, vans and light-duty trucks with limited slip differentials. It is manufactured from premium quality base oils and advanced performance additives to provide exceptional protection against thermal degradation.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

HEAVY DUTY GEAR OIL

DAVINOL GEAR OIL

SAE: 85W-140 API: GL-4

DAVINOL GEAR OIL 85W140 Multi-grade Heavy Duty Gear oil, formulated with the multiple additives and blended using latest technology; provides superior lubrication for gearboxes and axle. Suitable for multi-purpose transmission oil for synchronized and non- synchronized transmission and for axle. Transmission, transfer case, intermediate gear boxes, ancillary transmission applications. It can be used in all weather conditions

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DAVINOL GEAR OIL

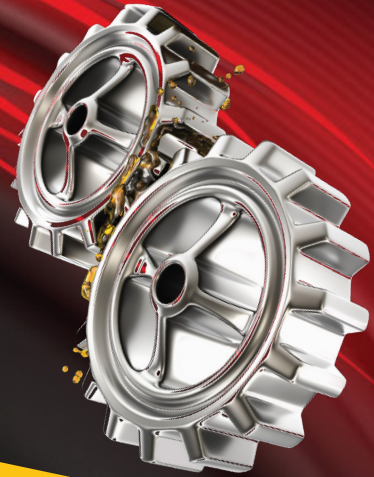

SAE: 140 API: GL-4

DAVINOL EP 140 Gear Oil is a mineral oil based lubricant formulated for use in a wide range of automotive, plant, agricultural and industrial transmission systems. This grade has a high level of extreme pressure (EP) additive that provides effective gear protection over a range of temperatures and shock load conditions. EP 140 Gear oil will also protect components from rust and corrosion.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

HEAVY DUTY GEAR OIL

DAVINOL GEAR OIL

SAE: 90 API: GL-4

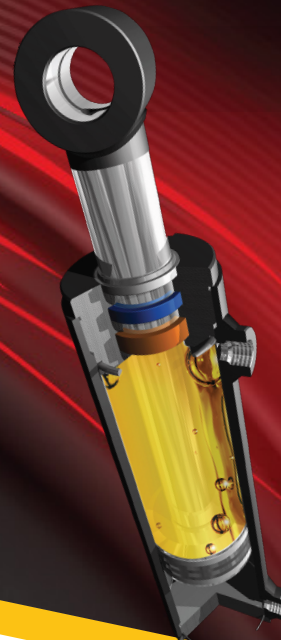

DAVINOL EP 90 Gear Oil is a mineral oil based lubricant formulated for use in a wide range of automotive, plant, agricultural and industrial transmission systems. This grade has a high level of extreme pressure (EP) additive that provides effective gear protection over a range of temperatures and shock load conditions. EP 90 Gear oil will also protect components from rust and corrosion.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

HEAVY DUTY HYDRAULIC OIL

DAVINOL HYDRAULIC OIL AW-10

DAVINOL Hydraulic AW-10 is a high performance anti-wear hydraulic oil specifically formulated from selected base oils and a proprietary additive system to provide well balanced performance in a range of applications. Manufactured from a high quality of virgin base oils combined with anti-wear additives and rust inhibitors, to provide high stable premium hydraulic fluids with quality reserve for excellent performance under severe operating condition in mobile industrial service. Designed to provide easy and long-life performance

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

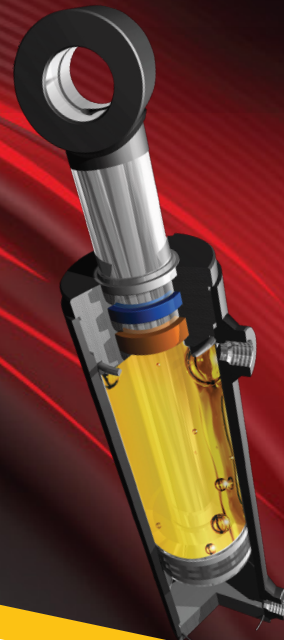

DAVINOL HYDRAULIC OIL 68

DAVINOL Hydraulic oil 68 manufactured from high quality base oils combined with anti-wear additives and rust inhibitors, to provide highly stable premium hydraulic fluids with a quality reserve for excellent performance under a severe operating condition in automotive and industrial applications. Blended with high quality additives to improve corrosion protection.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

HEAVY DUTY HYDRAULIC OIL

DAVINOL HYDRAULIC OIL

46

DAVINOL Hydraulic oil 46 manufactured from high quality base oils combined with anti-wear additives and rust inhibitors, to provide highly stable premium hydraulic fluids with a quality reserve for excellent performance under a severe operating condition in automotive and industrial applications. Blended with high quality additives to improve corrosion protection.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DAVINOL HYDRAULIC OIL

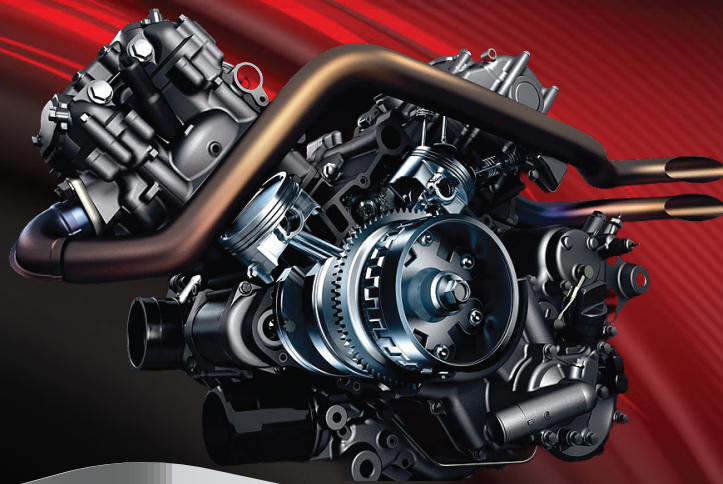

32

DAVINOL Hydraulic oil 32 manufactured from high quality base oils combined with anti-wear additives and rust inhibitors, to provide highly stable premium hydraulic fluids with a quality reserve for excellent performance under a severe operating condition in automotive and industrial applications. Blended with high quality additives to improve corrosion protection.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

4T ENGINE OIL

DAVINOL 4T ENGINE OIL

SAE: 20W-50 API: SN JASO MA2

DAVINOL 4T 20W-50 is a high-performance 4-Stroke engine oil formulated specifically to meet the needs of modern motorcycle engines. It is primarily for on-road, high-performance, 4-cycle sport bikes, however, it may be used in other types of on and off-road 4-Stroke motorcycles. It is formulated to help offer outstanding protection in 4-cycle, V-Twin type engines, particularly those which are air cooled and tend to run hotter than other types of engines.

AVAILABLE PACKS

1L, 800ML, BULK

DAVINOL 4T ENGINE OIL

SAE: 10W-40 API: SN JASO MA2

DAVINOL 4T 20W-40 is a fully synthetic high-performance 4-Stroke engine oil formulated specifically to meet the needs of modern motorcycle engines. It is primarily for on-road, high-performance, 4-cycle sport bikes, however, it may be used in other types of on and off-road 4-Stroke motorcycles. It is formulated to help offer outstanding protection in 4-cycle, V-Twin type engines, particularly those which are air cooled and tend to run hotter than other types of engines.

AVAILABLE PACKS

1L, 800ML, BULK

BRAKE FLUID

DAVINOL BRAKE FLUID

DOT-4

DAVINOL brake fluid DOT – 4 is a heavy-duty brake fluid, contains antioxidant, and corrosion inhibitor to ensure long service life of brake fluid and brake components. Due to high boiling point, it does not give vapor lock problems in high temperature working conditions. It's extremely high boiling point reduces impact of moisture absorption, delays onset of vapor lock and improves reliability and safety of braking system under extreme driving conditions.

AVAILABLE PACKS

250ML, 500ML, 1L, BULK

DAVINOL BRAKE FLUID

DOT-3

DAVINOL brake fluid DOT – 3 is a heavy-duty brake fluid, contains antioxidant, and corrosion inhibitor to ensure long service life of brake fluid and brake components. Due to high boiling point, it does not give vapor lock problems in high temperature working conditions. It's extremely high boiling point reduces impact of moisture absorption, delays onset of vapor lock and improves reliability and safety of braking system under extreme driving conditions.

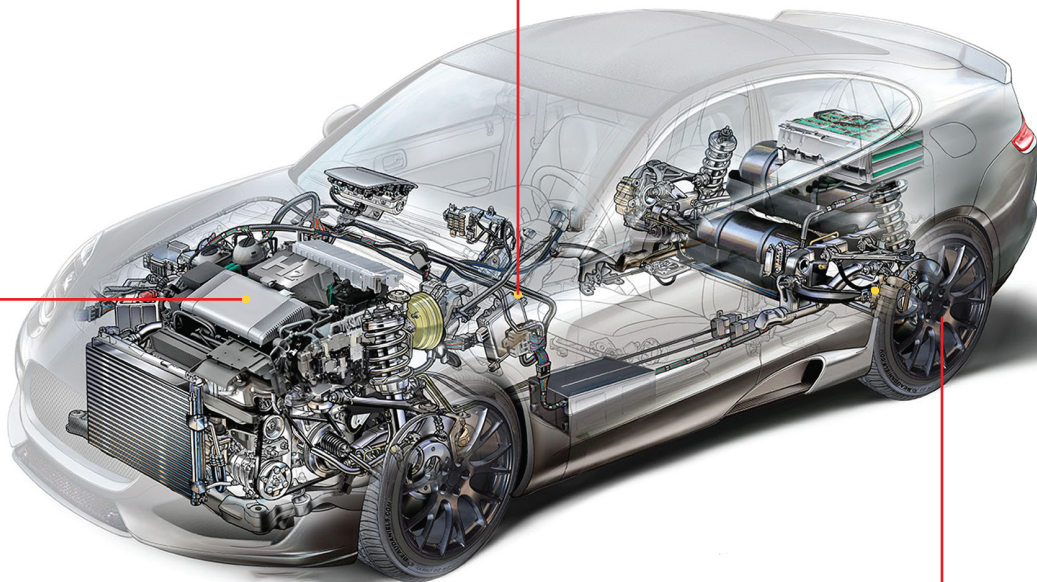

AVAILABLE PACKS

250ML, 500ML, 1L, BULK
